

# **MARVEL SUPER WAR'S WAKANDAN LEAGUE**

## **RULE BOOK**

1. All players must comply with the rules set by the tournament organizers. Failure to do so can result in disqualification and/or ban from future tournaments.
2. Every participant must behave respectfully towards the representatives of the PVP Esports Community, press, viewers, partners and other players. This applies to in-game behavior and in chat, messages, comments and other media.
3. Participants must follow the tournament schedule determined by the tournament organizers and all tournament schedules will be communicated to participants by the tournament organizers.
4. Every match of this competition must be played according to the rules until all games are completed and the results of these games will be published by the organizer.
5. All forms of cheating in PVP Esports Community matches are prohibited and will be penalized.
6. Any players participating in the PVP Esports Community Championships must use the same account(s) they registered with to play in the tournaments and the name of the account must not be changed.
7. Team names and logos must comply with the overall tournament rules (e.g. no vulgar names/icons, political, discriminatory or inappropriate names) and the tournament organizer reserves the right to change any names or logos deemed unfit for the PVP Esports Community Championships.

8. Internet connection for all online competition is the participant's personal responsibility. The organizers will not be held liable for any issues that arise from a participant's internet connection.

9. Any changes to player roster or team names must be reported three (3) days before the competition.

10. Any unreported changes can result in disqualification and/or ban from future tournaments run by the organizer.

11. Players must report ten (10) minutes prior to the commencement of their respective matches. Any delay may result in a walkover or disqualification.

12. The team captain's contact details will be used to receive further instructions for the tournament, including prizing

13. The PVP Esports Community Championship organizers (referred to as 'tournament organizers' in the remainder of this document) have the right to decide outside or even against the rulebook in special cases to guarantee fair play.

14. Any player can only register once to play in ONE team.

15. The official language used in this tournament format is in English. All announcements and communication with players will be in English.

16. During Game Each Team Can Use Pause Feature Only 1 Time, Spamming Pause Will Be Count As Defeat Of That Team.

17. Due To More Than 70 Heroes in Game Each Team Will Get Benefit of 3 bans each in Draft & Pick. 1 Ban Will Be Decided In Lobby by Each Team's Leader While Other 2 Bans Will Continue in Draft Picking Time.

18. If any team picks a ban hero during draft then whole pick and draft will be restarted from start. But as a penalty team which made a mistake will not be eligible to ban a hero so then they will be given only 2 bans. At last if the same team picks ban hero again then they will be disqualified.

19. Any mistake or excuses like player got net issue or was AFK will not be the responsibility of organizers that will solely depends on team when they enter ban and draft to ensure that they choose their heroes correctly
